Decrease appropriations in the General Fund Group in the Citywide Activities Department by \$3,750, to offset a transfer to the City Manager Department.

### DISCUSSION

Councilwoman Megan Kerr would like to support the following organizations and their events:

- Playmaker's 2<sup>nd</sup> annual Adaptive Sports Fair to support their ongoing mission of providing sports and enrichment programs for children and young adults with disabilities. Their Adaptive Sports Fair aims to establish an inclusive and accessible environment for individuals of all abilities to participate in various sports and recreational activities.
- Long Beach BLAST's 25<sup>th</sup> Annual Breakfast BLAST event that will celebrate 25 years of mentoring Long Beach Youth. Long Beach BLAST's goal has been to improve academic and personal success for at-promise youth through collaboration and innovative approaches to mentoring and learning.
- The Long Beach Juneteenth Celebration, as the goal of their family-friendly event is to celebrate Black history, educate the Long Beach community on the Juneteenth holiday, and bring awareness to the collective American experience.
