Re: Belmont Shore, 2nd Street Median Plant Replacement from Bayshore to Livingston.

Thank you for showing interest in utilizing the Conservation Corps of Long Beach to perform services for the City of Long Beach. As a community youth development agency, the Conservation Corps of Long Beach is continually searching for meaningful projects where young people have an opportunity to learn and grow and at the same time help enhance their community and environment. Working with the City of Long Beach is a perfect example of a venture where both the community and the young people working on the project benefit. We are extremely thrilled and eager to continue working with the City of Long Beach and we are pleased to submit this proposal for the outlined project.

Established in 1987, the Conservation Corps of Long Beach is one of 14 State Certified Community Conservation Corps programs in California. In order to fulfill our mission, we train and educate our young people by coupling our state accredited alternative high school with various conservation work projects. We utilize projects such as, but not limited to, urban forestry, habitat restoration, recycling, graffiti removal, fire fuel reduction, invasive vegetation treatment, community garden development, and construction to assist in training our young people and provide them with marketable work skills while at the same time help preserve and restore our local environment. A list of past and current related projects as well as sponsor references is available upon request.

Belmont Shore, 2nd Street Median Plant Replacement from Bayshore to Livingston.

Scope of work:

- | | |
|--|------------|
| • Plant layout and design plans. | \$ 600.00 |
| • Plant material, a total of 169 plants. | \$1,200.00 |
| • Crew labor for installation of plants in all the 14 medians. | \$1,600.00 |

Grand Total: \$ 3,400.00

The Conservation Corps of Long Beach is a non-profit 501(c)(3) with over 35 years of experience performing a wide variety of projects with various cities and agencies across Los Angeles County and beyond. If you have any questions, please feel free to contact me at (626) 634-7073 or jortega@cclb-corps.org

Sincerely,
