DISTRICT OVERVIEW

District Background

Colloquially nicknamed “Retro Row,” the area along Fourth Street between Cherry and Temple Avenues is known locally, regionally as well as internationally for its eclectic style and storefronts, independent spirit, sustainability efforts, retro-inspired mix of shops and services and variety of attractions which can fulfill an entire day and/or evening for any age group. Retro-Row proudly offers shopping including vintage, kitsch, new boutique, designer high-end furniture and fixtures, books, plants, art and music as well as a broad variety of restaurants, coffee shops, vegan ice cream and juice bars, salons and barber shops, the last independent art house movie theatre in Long Beach, bars and live music!

Conceived by a coalition of Fourth Street business owners, the Fourth Street Parking and Business Improvement Area (FSPBIA) is a benefit assessment district formed on September 11, 2007 by Ordinance 07-0043 to attract customers to the Fourth Street shopping area.

The purpose of FSPBIA is to actively promote and market the Fourth Street shopping district as a destination through events, neighborhood activation, community outreach, and advertising. The Fourth Street Business Improvement Association (FSPBIA) manages FSPBIA under contract with the City of Long Beach.

Seventeen years after the inception of the Business Improvement District, the FSPBIA continues to evolve, expanding its already unique mix of shopping, dining, and entertainment experiences. Since the eastward expansion of FSPBIA to Temple Ave in 2015, FSPBIA continues to solicit the participation of new affiliate member businesses. The Association continues to actively encourage participation of existing members through quarterly meetings, events meetings, regular and transparent communications, and improved access to BID resources. Building on the ongoing successes of hiring our first BID Executive Director, City Council approved parking meters and continuous community outreach, the BID continuously reviews its persona to the physical consumers that visit the area as well as our perception on social media. Using Retro Row’s established reputation for sustainability, diverse and unique offerings, and additional emphasis is being placed on street-wide events and attractions in order to broaden its appeal to a changing consumer demographic, and to creatively manage the ever-increasing effects of online shopping habits on traditional retail sectors.

FOURTH STREET BUSINESS IMPROVEMENT ASSOCIATION PROGRAM

2024 – 2025 Program

Marketing

The FSPBIA will continue retaining the services of a local marketing agency to manage all social media content, updates, and postings for the 4th Street Instagram, Facebook, TikTok and Threads platforms to promote Retro Row and its affiliated merchants, in conjunction with existing marketing and advertising efforts. These efforts include monthly newsletters to our email subscribers, and maintaining the 4streetlongbeach.com district website. The website includes a directory of members and promotes resources available to them.

Support of Area Events

A significant investment has been made into our 4th Street events. While historically the major focus has been our monthly Fourth Friday's event, the FSPBIA is now expanding these efforts to include car meet ups, vinyl swaps, book fairs and more. These various events are free for the public to attend; aim to foster community engagement, activate the business district with music, entertainers, artists and vendors to promote the district, as well as increase visibility, foot traffic, and economic growth for all.

Maintenance, Beautification & Safety

Dedicated funding retains the monthly services of a landscaping company to maintain the parking lot at the corner of 4th and Cherry, and the Garden Walk alongside Burbank Elementary School. Since the pandemic and with the uptick of the homeless population in our area, the FSPBIA has focused on continuous recovery efforts including maintenance, safety, sidewalk washing, encampment clean ups and monitoring abandoned storefronts. The need for increased security is an ongoing discussion and we hope to continue to work with the City towards progress in addressing ongoing concerns regarding safety in the community.

Management

A volunteer board made up of business owners within the district help to oversee the FSPBIA. Aside from ongoing insurance and accounting service expenses, the FSPBIA relies on their Executive Director to provide member outreach, advocate for resources, to take and post monthly board meeting minutes, general meeting minutes, maintain and update email contact lists, run reports, collaborate with area neighborhood associations, represent the FPSBIA in an official capacity, and perform ongoing miscellaneous administrative support. This portion of our budget is also utilized for the lease expense of the 4th and Cherry parking lot, tax and insurance preparation, and the rental of a utility storage space on 4th St.

The FSPBIA Service Plan Budget provides for funding for marketing, promoting and maintaining the cleanliness and attractiveness of the 4th Street district. Although a relatively small district with a relatively small number of participants, the FSPBIA continues to aggressively and creatively manage a modest budget to facilitate and promote events, as well as to maintain the overall cleanliness and inviting “curb appeal” of the Retro Row corridor.
