Business License Required (L.B.M.C. 3.80.210)

Under the Long Beach Municipal Code (Section 3.80.210), any person operating a business in the City of Long Beach is required to obtain a business license and pay an annual business license tax, prior to the operation of that business.

Term of License (L.B.M.C. 3.80.520)

A business license is valid for one (1) year from the date of issuance (unless otherwise noted) and must be renewed each year. A renewal notice is sent to the licensee ten (10) days prior to the due date, and the licensee has thirty (30) days to pay without penalty. If a notice is not received by the licensee, he/she is still responsible for payment by the due date. If the licensee changes his/her mailing address during the year, he/she should contact the Business License Section to report the change.

Penalties (L.B.M.C. 3.80.422)

A penalty equivalent to twenty-five percent (25%) of the payment due applies to all delinquent licenses unpaid after thirty (30) days from the due date. An additional ten percent (10%) penalty is added on the first day of the calendar month following the imposition of the twenty-five percent (25%) penalty if the tax remains unpaid, up to a maximum of one hundred percent (100%) of the tax due. The postmark will govern the determination of whether or not a tax payment is delinquent. A delinquent tax will be deemed a debt to the City, and the licensee shall be liable for legal action if it remains unpaid.

Multiple Businesses at one Location (L.B.M.C. 3.80.420.6)

When more than one business activity is engaged in at the same location, and the activity falls into a classification other than that of the original license, the licensee is required to obtain an additional license for each different business activity. If the licensee has more than one business license at the same location, he/she may choose to pay for all employees on one license. If so, the licensee will pay for the employees on the license with the higher employee rate.

Definition of an Employee (L.B.M.C. 3.80.150)

For the purpose of Business License taxation in the City of Long Beach, an employee is defined as: Every person engaged in the operation or conduct of any business in Long Beach, whether as owner, member of the owner's family, partner, associate, agent, manager or solicitor, and every person employed or working in such business, whether full-time, part-time, permanent or temporary, for a wage, salary, commission or room and board. The owner of a sole proprietorship shall not be deemed to be an "employee" of the business.

Change of Location (L.B.M.C. 3.80.424)

Every person possessing a City of Long Beach Business License who changes the location of his place of business shall, prior to engaging in such a business at the new location, have the City endorse the new location on the license.

Display of License (L.B.M.C. 3.80.425.5)

Every person having a license shall prominently display the license at the place of business. If the business is operated from a vehicle, an identifying decal issued by the City shall be affixed to the vehicle, and the business license shall be carried by the licensee.

Apportionment of payment of tax (3.80.256)

For purposes of apportionment as may be required by law and for purposes of administration and enforcement of this Chapter, the Director may from time to time promulgate administrative rules and regulations for a business subject to the business license tax under this Chapter that can demonstrate to the satisfaction of the Director that it will be doing business in the City for only a portion of a year.

Refunds Prior to Start of Business (L.B.M.C. 3.80.427.5.F)

Any application for refund must be made by the person entitled to the money within one year after payment of the money to the City. No refund shall be made of any moneys paid for the issuance or renewal of any license unless it is determined that such licensee has not engaged in, nor held himself out as being engaged in, such business or occupation at any time after the effective date of the license. The amount of the refund shall be the full amount of the license tax paid, less an amount determined by the Director of Financial Management, which shall cover the cost of investigation and issuance of the license.

Sales or Use Tax

Sales or Use Tax may apply to your business activity. You may seek advice regarding the application of the tax to your business by visiting the California Department of Tax and Fee Administration website at www.cdtfa.ca.gov.

Inspections (The business license application must be available on site at time of inspection).

When a business license inspection is scheduled, the business must be fully prepared to operate, and the business owner or operator must be on site for the entire scheduled time of inspection. If the business owner or operator is unprepared for or misses a scheduled business license inspection without giving a minimum of 24 hours notice to the appropriate City agency, a re-inspection fee will be assessed.

I have read and understand the **Inspection** requirements.
