

# California Climate Action Corps (CCAC) Fellowship

June 26, 2025

# Agenda

- CCAC and LBUD
- CCAC in Action
- CCAC Success
- Recommendation

CCAC Shoreline Village Turf Transformation

# CCAC and LBUD

California Climate Action Corps (CCAC) Fellowship is an AmeriCorps service program that's part of a California statewide initiative to address and mitigate the effects of climate change.

## Working together:

- Partnering since 2017
- LBUD has hosted six Fellows
- Approved for two new Fellows for 2025-2026 term!

Paid for by grants from California Volunteers at zero cost to LBUD!

CCAC Direct Install Garden Maintenance Workday

# CCAC in Action... at LBUSD

Lafayette Elementary School, California Native Planting Workshop

# CCAC in Action... in the community

LBUD hosted, Explore Deforest Wetlands event day.

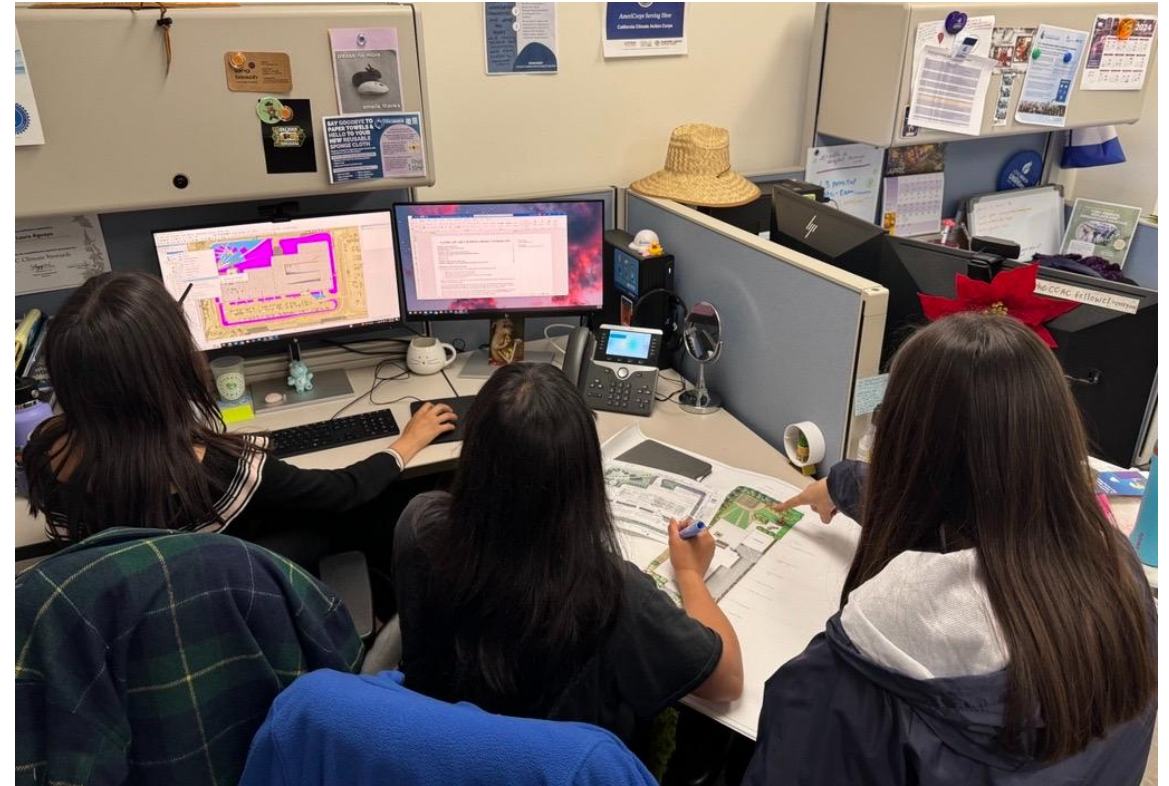

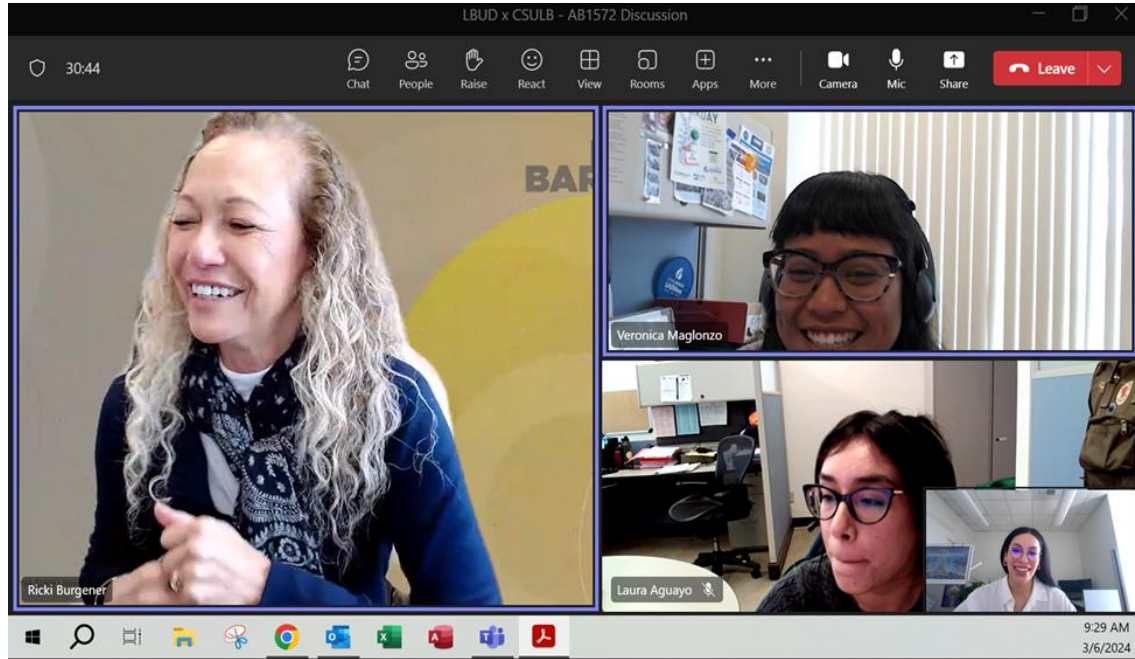

# CCAC in Action... at Long Beach Marina

Long Beach Marina, California Native Planting Workshop

# CCAC in action... at the office

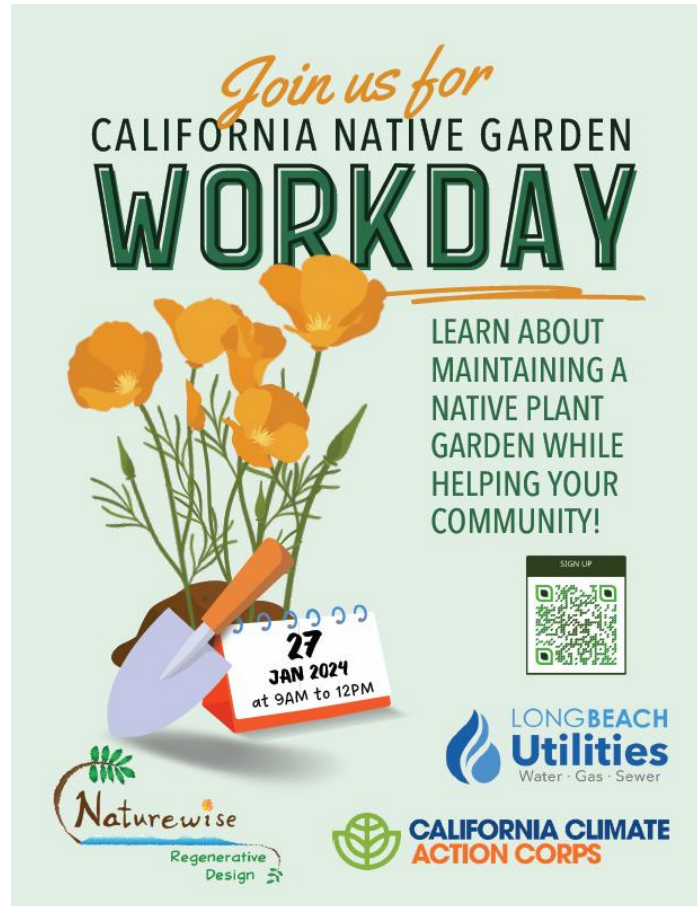

Assisting LBUD to meet state reporting requirements and future potable water restriction updates.

# CCAC Success!

## Climate impact for 2024-2025 active term:

- 7,541 sqft. converted turf area to improve climate friendly landscapes
  - 8 trees planted
  - 504 native plants planted
- Engaged over 500 people at tabling events, workdays and community presentations

# Recommendation

Authorize the General Manager to execute a Memorandum of Understanding, and any subsequent necessary amendments, with Bay Area Community Resources (BACR) to provide California Climate Action Corps (CCAC) Fellows from September 2025 to August 2026 to assist Long Beach Public Utilities Department (LBPUD) in water conservation program implementation.
