

Project Jellyfish

Do you care about keeping
our ocean clean?

Do you enjoy being creative?

Meet the Jellyfish Bot, a trash
collecting robot that will be
used to collect surface-level
debris in the marina.

**WE WANT
YOUR ART ON
THE BOT!**

Project Jellyfish

We are asking youth from surrounding communities to help welcome this cool new critter by designing art to be displayed on the sides, as well as coming up with a name.

Applications can be found at www.lbparks.org starting on September 23rd through October 25th by clicking on the contest link on the home page.

The chosen artist will receive a scholarship package, as well as other donations from our sponsors. Open to Youth 18 and younger.
