Subject: Recommendation to Convene Charter Amendment Committee to Modify Terms, Powers and Duties of the Harbor Commission and Annual Budget Timeline

RECOMMENDED ACTION

Recommendation to convene the Charter Amendment Committee of the City Council within 30 days to discuss placing a Charter Amendment before the voters to amend Charter Article V (Officers and Employees) and Article XII (Harbor Department) to modify the terms, powers and duties of the Harbor Commission (Commission) and annual budget timeline.

DISCUSSION

To align and maintain consistency with other City departments, the Harbor Department proposes to modify Charter Article V and Article XII in three key areas:

1. Terms of Commission Members (Section 508)

The Charter Amendment seeks to reduce the length of terms for Harbor Commissioners from six (6) years to four (4) years and Public Utilities Commissioners from five (5) years to four (4) years in alignment with elected term limits.

The proposed Charter Amendment provides that any person appointed as a member of the Harbor Commission or the Public Utilities Commission who was not a member of such commission as of January 1, 2025 would be limited to serve no more than three (3) full terms of four (4) years on either the Harbor Commission or the Public Utilities Commission.

2. Powers and Duties of the Commission (Section 1203)

Currently, the Harbor Department conducts merit-based hiring with candidates selected based on qualifications, skills and abilities. Upon identification of a suitable candidate for hire and successful completion of all stages of the pre-employment process (i.e., background check and physical exam), a candidate is required to be affirmed by the Board of Harbor Commissioners (BHC) before start of employment. The Harbor Department is the only department within the City

of Long Beach with this requirement, and this has the compared with other City departments. The proposed Charter Amendment confers and delegates from the BHC to the Chief Executive Officer (CEO) the authority to appoint and employ staff (excluding the Executive Officer to the Board and Commission staff and ratification of the employment by the Chief Executive Officer of the Chief Operating Officer)) with the goal of enhancing the overall effectiveness of the Harbor Department by reducing vacancy rates and improving time to hire.

Merit-based hiring standards will remain the same with employees hired and promoted based on qualifications, skills and abilities. The Harbor Department will continue to use the current system of classified and unclassified service. The Board of Harbor Commissioners will continue to approve budgeted vacancies via resolution for the Harbor Department to fill, and will continue to appoint the position of CEO and Commission staff, including the Executive Officer to the Board.

Harbor met with all applicable bargaining units, who unanimously support the change in powers and duties as a necessary step to reduce time to hire and create consistency in the hiring process.

Within the same Charter section, the Harbor Department seeks to increase prescribed fines and penalties for violations of any ordinance of the Harbor Commission from \$500 and/or six (6) months imprisonment, to a penalty not to exceed a \$1000 fine and/or six months imprisonment as a deterrence for violations.

3. Annual Budget (Section 1210)

In 1996, the City adopted a fiscal year of October 1 to September 30 for the annual budget process. The Harbor Department seeks to modify charter language to formally align its annual budget process with the City's fiscal year.

More detailed information on the recommended Charter Amendment language for Article V and XII is attached (Attachment). This matter has been reviewed by Principal Deputy City Attorney Charles Gale on April 3, 2024 and Budget Development Officer Jennifer Rodriguez on April 18, 2024.

TIMING CONSIDERATIONS

City Council action is requested on May 7, 2024 to refer this item to the Charter Amendment Committee for discussion and consideration on the November 2024 ballot.

FISCAL IMPACT

This recommendation is to convene the Charter Amendment Committee of the City Council to discuss placing a City Charter amendment to amend Article V and Article XII of the City Charter to modify the terms, power and duties of the commission, and annual budget timeline. The recommendation to convene the City Charter Amendment Committee has no staffing impact beyond the normal budgeted scope of duties and is consistent with City Council Priorities.
