RECOMMENDATION:

Recommendation to authorize the City Manager, or designee, to execute all necessary documents with the LA84 Foundation to accept 2025 Learn to Swim grant funds in the amount of \$10,000, for summer aquatics programs targeting economically disadvantaged youth at Belmont Plaza Temporary Pool, Silverado Pool, and Martin Luther King, Jr. Pool, during the grant term dates of April 7, 2025, through September 30, 2025, and execute all necessary documents to implement and administer the grant including any amendments. DISCUSSION

The LA84 Foundation (Foundation) is endowed with surplus funds from the 1984 Los Angeles Olympic Games. The Foundation makes grant funds available to recreation agencies for various youth sports programs designed to provide disadvantaged youth, ages 6 to 17, the opportunity to learn how to swim. The Parks, Recreation and Marine Department (PRM) has been selected by the Foundation to receive grant funds consecutively for more than a decade. This year, PRM has been selected to receive \$10,000 in grant funds for the 2025 Learn to Swim program. This grant will fund scholarships for economically disadvantaged youth in swimming instruction.

The 2025 Learn to Swim program will be conducted within the grant term dates, commencing on June 16, 2025, and concluding on August 22, 2025. The pools currently available for this program are Belmont Plaza Temporary Pool, Silverado Pool, and Martin Luther King, Jr. Pool. This popular program is advertised in the quarterly *Recreation Connection*, as well as on the PRM website, through social media, and by word of mouth at local parks.

The Foundation supports programs that ensure all children have equal access to sports and structured play. By increasing the number of children who know how to swim through free to low-cost lessons, the Learn to Swim program is consistent with the Parks Make Long Beach: PRM Strategic Plan goal of reducing and removing barriers to youth enrollment in sports.

This matter was reviewed by Deputy City Attorney Anita Lakhani on May 5, 2025, and by Budget Analysis Officer Greg Sorensen on April 30, 2025.
